

Trail Information Kiosks

Business Sponsorship

The Main Street to the Mountains trail system is growing rapidly and GVLТ's Community Trails Program is installing information kiosks to provide better information for the thousands of residents and visitors who use the trails. The kiosks display maps, trail etiquette guidelines and other useful information.

Business sponsorships make Trail Information Kiosks possible:

Trail Information Kiosks are funded through a combination of grant money and sponsorship donations from local businesses. Materials, construction, graphic design, printing and installation typically total approximately \$1,800. Since 2007, GVLТ has installed 14 kiosks thanks to sponsorships from Allied Engineering, Colombo's Pizza, Delaney & Co., Hyalite Environmental, Mountain Home Vacation Rental, Ressler Motors, TD&H Engineering and Zoot Enterprises.

New Kiosks need sponsors:

GVLТ needs sponsors for new kiosks in a variety of locations around Bozeman. Please see the list of kiosk locations on the second page of this document.

Sponsor a Kiosk!

\$ 1000 ~ Three Year Sponsorship

\$ 500 ~ Three Year Sponsorship Renewal
